## THE WATER EXPO SPEAKING GUIDELINES

Speaker presentations should be educational, based on experience, relevant to a professional audience and able to be substantiated. They should not be a sales pitch or a sales-oriented presentation.

A \$200 application fee is required for all non-exhibiting/non-sponsoring speakers.

Standard sessions in BREAKOUTS will be 45 minutes in duration (unless otherwise stated) and may be arranged by The Water Expo as a solo or multiple speaker presentation, round table, panel or open forum. Standard sessions ON THE EXHIBIT HALL will be arranged to provide a 20-minute slot to each presentation. The Water Expo reserves the right to adjust the length of each session and/or slot in the best interest of the entire program.

All sessions will be held in English or Spanish as these will be the official languages to release all information about Speakers and their presentations

Speakers should provide all information and materials to properly release and promote the The Water Expo Conference program.

Audio Visual equipment provided by The Water Expo includes laptop, projector, screen, microphone, PA system and technical assistance on-site. Presentations should be in PowerPoint and submitted to The Water Expo 45 days prior to the event. Speakers should bring it in a USB flash drive (and/or in its own laptop as a backup). Speakers should be ready for testing at least 30 minutes in advance of his/her session at the designated session room.

Speakers agree not to speak on the topic to be presented at The Water Expo at any meeting, conference, convention, seminar or other group gathering within a "blackout" area extending from a ninety (90) mile radius of the Event location for the period of 150 days before the Event and 30 days following the Event. If Speaker presents this topic at any group within this blackout period and area, The Water Expo, at its sole discretion, may cancel Speaker presentation at The Water Expo without any liabilities.

Speakers receive two (2) complimentary Full Conference & Expo VIP Badges, presentation description, photo and biography in The Water Expo website, Expo Guide and exposure in pre-show promotional campaigns. Speakers will not receive any monetary compensation or reimbursement for travel expenses of any kind.

Once included in the official program, Speakers are committed to attend and perform at The Water Expo. Speakers who by any unforeseen event are not able to attend must notify The Water Expo immediately in writing. Replacement Speakers may be suggested but must be approved by The Water Expo. The Water Expo reserves the right to modify or cancel any session based on a change in Speaker.

Presentations providing educational credits of any kind will receive special consideration. If presentations provide education credits and/or any kind of certification, the appointed speaker and/or his or her company representative shall assume full responsibility on all paperwork and official procedures involved, including accreditations, certifications and all on-site and after show contact with attendees. The Water Expo assumes no responsibility whatsoever.

The Water Expo assumes full and exclusive rights to presentations given by Speakers at the conference including the right to record, film, edit, market and sell them at and after the event. Speaker warrants and represents that he/she is or will be the owner or have copyrights to any materials which he or she will be presenting at The Water Expo. Speaker represents that he/she has expressed written permission to use any audio/visual materials, images, accounts, quotations or likeness of any copyrighted images to be used in his/her presentation and/or provided to The Water Expo for distribution before, during and after the event.

The Water Expo reserves the right to modify the event's program schedule at any time.

Should you need to contact us with any question before submitting your proposal please email it to [speaker@TheWaterExpo.com](mailto:speaker@TheWaterExpo.com) including your contact phone number. We will get back to you shortly.

I have read and understood the contents of the **The Water Expo Speaking Guidelines** as described here above and of the [The Water Expo Terms & Conditions](#) and agree to abide by them, if I am selected to speak at the event.

Date \*

Before submitting please review your application one more time and **do not forget** to attach the Speaker color pic (jpg or PDF) in hi resolution.
